

Term 4 Week 5 Edition

This week we welcome back HCS's own version of royalty, Rachel. This is not just a regular visit — this time we are celebrating 10 years of working with the Australian Children's Music Foundation. We look forward to sharing with our community all we have learnt over the years at the ACMF Concert this Thursday.

Music, music! Congratulations to our Senior School Band who performed at the Leeton Outback Band Spectacular over the weekend. All students are to be commended on their performance. A huge thank you to Mrs Bartholomew for her continued dedication to our school band and organising this great opportunity for our students. And to Mr Laurich who enhances our senior band with his talent on the tuba.

As part of our whole school commitment to Visible Learning, all students have been participating in two 20 minute lessons per week, all year. During these lessons students have been focusing on understanding the characteristics or dispositions of an effective learner and how to apply these skills to their learning.

You may have heard your child talking about these words at home. These dispositions are PERSIST, USE FEEDBACK and CONNECT. We are tweaking our year group awards at our term Principal's Assemblies to reflect the Visible Learning focus; we will now include at least 1 award for a child that is demonstrating these dispositions.

Sandy Ryan

Principal

Hillston Central School **Upcoming Events**

P & C Meeting 13th November—TONIGHT 7pm

SCHOOL NEWS

Excitement Plus

Kindergarten enjoyed visiting the Hospital where they engaged in sharing photos from their recent excursion with the residents. Primary students will be visiting the residents each fortnight as a way of connecting with our community.

P&C Meeting Tonight

The P&C are holding their monthly meting tonight at 7pm in the Staff Common Room. We would like to see some fresh faces getting involved with the organisation. The P&C has a valuable role within the school community. Please come along tonight and see what we do to support the students and staff at Hillston Central School

Rebecca Dalton | P&C President

Leeton Outback Band Spectacular

On Saturday the HCS Senior Band travelled to Leeton to perform in the Leeton Outback Band Spectacular. They started at the Jarrah Mall before joining with 160 other musicians to perform as part of the Outback Band Spectacular Concert at the Roxy Theatre. What a wonderful opportunity for our students!

Robin Bartholomew | Band Coordinator

GIRL'S NIGHT IN

#bigthanks #biglove #biglaughs

We donated \$1000 to the Cancer Council

and

We deposited \$265.30 to Hillston CAN ASSIST.

Special thanks to every person who attended to ensure the night was a great success

Auctioning our precious garments was touching and poignant.

Lindsay Adams' sensational Lemon Meringue Pie fetched \$80 at auction and included all HCS ingredients.

Hannah Dalton delighted the crowd with a funny, embarrassing story, which resonated with all of us.

The candle ceremony was a moment to remember, reflect and be grateful for times passed and times to come.

#keepkermit #triplethefun #caringcommunity

Gardening and Sustainability

Kinder have been exploring Gardening and Sustainability this term.

In Art the students were directed to collect leaves from the playground and glue tail feathers on an emu. Students discussed Daddy emus looking after the babies while Mummy emus went to work. The whole class then joined the Blues Brothers to... Shake a Tail Feather!

SCHOOL NEWS

Remembrance Day Service

We held a Remembrance Day service on Friday ahead of Sunday's 100th anniversary of Armistice Day. Matthew Downing shared the importance and meaning of this day for us to acknowledge all Australians who have served our country. Students placed poppies around the old school bell in memory of those who have served.

Visible Learning Update

What makes an effective learner? Our school community voted and we think effective students need to PERSIST, USE FEEDBACK and CONNECT.

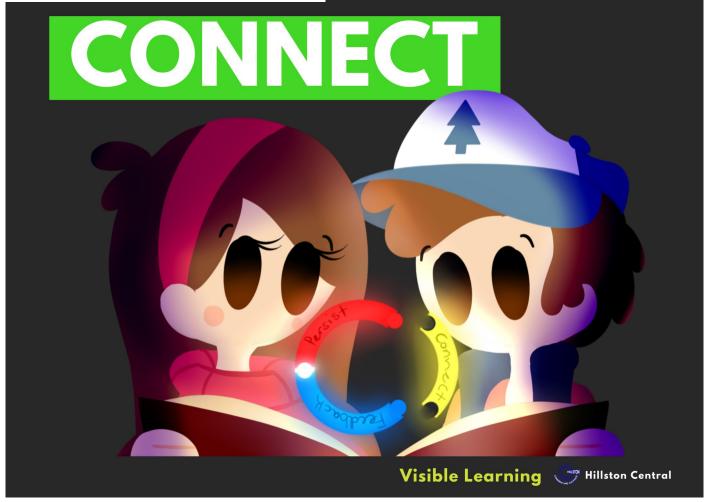

Throughout this year, students have participated in 20 minutes lessons focusing on what persistence looks like and sounds like in the school context as well as how to give and receive effective feedback.

This term we are focusing on the final characteristic/disposition of Connect. Students whom are able to connect their learning to previous knowledge or something in their 'real' world are more likely to be engage and have a deep understand a topic.

Stay tuned for updates on making connections to learning

Sarah Martin | Visible Learning Leader

THE RIVER

PHOTOGRAPHY COMPETITION

SHOW OFF YOUR PHOTOGRAPHY SKILLS!

Students in Years 3 to 11 are invited to enter a photograph taken any time during 2018, that shows our connection to our land and community.
