

Term 4 Week 6 Edition

Today, students and teachers got a preview of the exciting new digital learning resources that are available to NSW public schools as part of the STEMShare Community programs.

The STEMShare program include technology kits, teacher training, expert support, curriculum-linked learning and online tools to ensure schools can make the most of the new resources.

Under the STEMShare Community program, 660 kits that include robotics, 3D printing, coding, film-making and virtual reality equipment are available for schools to borrow for a term.

At HCS, we are supporting our students to develop future skills for work and study and have a kit booked for Term 2 2019. Lessons for the kits covered a range of curriculum content and inspired students to think creatively and develop problem-solving skills.

Last weekend saw the last HCS event ever, for The Class of 2018. At the Year 12 Formal on Saturday night we celebrated and reflected on their achievements over the last 13 years of formal schooling. A huge thank you to Mrs Jatan and her trusty team of helpers (staff, Year 11 students and P&C) who went to great lengths to ensure that the venue looked amazing and the evening went off without a hitch.

With their exams a distant memory and celebrations all but done, Year 12 now enter the nail biting phase of waiting for HSC results come out in December. Good luck everyone!

Sandy Ryan
Principal

Hillston Central School

Upcoming Events

Kinder Orientation
23rd November
9am - 1pm

RAP Formal
23rd November

Primary Intensive Swimming
26th November - 7th December

SCHOOL NEWS

HCS is excited to extend the Bring Your Own Device (BYOD) program in 2019 for all secondary students. Information packs will be sent home with Years 7 and 8 this week. Extra packs can be collected from Mrs Harding.

Learning and Listening

Mrs Keen has been coming to our school to teach students in K - 3 about keeping their ears healthy. Students have loved learning about the inside of the ear, what it sounds like to have a problem with your hearing and how to keep our ear passages clean.

Katie Maher | Kinder Teacher

Thank You to the P&C

The P & C did the savoury/nibble platters for the Year 12 formal on Saturday evening. Thank you to Nicole Burgess, Allana Clark, Jo Burgess and Bec Fitzgerald for preparing the platters. A HUGE thankyou to Natalie Parr and Deb Morton who worked on the night to heat up the cobloaves, serve the platters and clean up, giving up their Saturday night.

Primary Movie Night

When: Wednesday the 28th of November, 6:30-8:30pm

Where: HCS Library

Cost: \$5 per person

There will be lollipops, cordial, popcorn, pizza and ice-cream. We will be watching the Emoji Movie. Come dressed in your favourite pyjamas to win a prize for the funniest and the cutest pyjamas!

Emily, Tegan and Mackenzie | Primary SRC

Eggs For Sale

The HCS Agriculture class is selling their very own free range eggs for \$4.50 per carton.

Year 10 Work Experience

During Week 8 the Year 10 students will be undertaking work experience. The majority of students have been given their placements. Can parents please check with their children if they have paperwork and return it ASAP. No paperwork = no work experience.

Nikia Waters | Career Advisor

Choir Performance this Wednesday 21/11/18

Tomorrow the choir will be performing at the Hillston Multi-Purpose Client Christmas Party at the Hillston Ex-servicemen's Club. Students are to wear full school uniform.

Annual St Matthew's Anglican Church Visit

St Matt's are returning next week for their annual visit. They will be providing a FREE breakfast of Pancakes on Tuesday 27/11/18 and Wednesday 28/11/18 from 8am in the hospitality room.

Hospitality students will also be selling milkshakes for \$2.50 to develop their service skills.

Budding Builders

5/6 have been hard at work in the Trade Trading Centre developing their woodwork skills as they build their own toolboxes. Keep an eye out for some photos of their finished products!

Jonas Adams | TAS Teacher

Found

iPod: please claim from Front Office.
We also have an assortment of lost school jumpers and jackets that can be claimed from the Front Office.

10 Year ACMF Anniversary

Last week we celebrated with the fabulous Rachel from the Australian Children's Music Foundation for achieving 10 years of wonderful music and amazing performances at HCS. Rachel has been inspiring teachers and students in her visits to our school each term. We hope to see her at HCS for the next 10 years.

Jane Murphy | ACMF Coordinator

HCS is Making Learning Visible

As part of our School Plan, HCS is making Learning Visible —Classrooms from K-12 have been utilising Learning Intentions (LI) and Success Criteria (SC). LI and SC give students an understanding of what it takes to become successful in a learning task . This enables students to develop their confidence as learners and set themselves high expectations, helping them become confident, motivated learners.

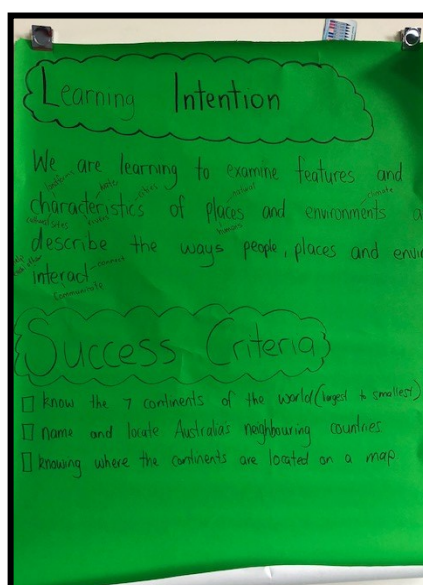

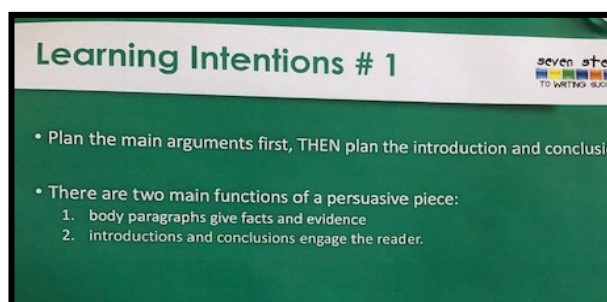

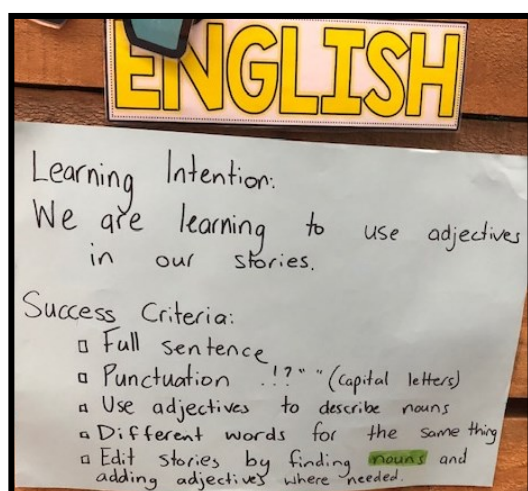

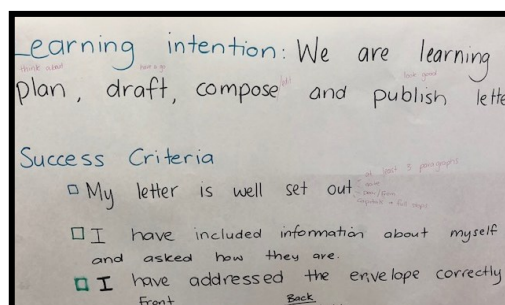

What is a Learning Intention? The Learning Intention is a statement that allows students to know what they have to achieve in order to be successful. It describes what learners should **know, understand or be able to do** by the end of the lesson or a series of lessons.

What are Success Criteria? Success Criteria define the pathways, in simple terms for the students to gain the new concept, skill or attitude. Students are often actively involved in determining the SC. They allow students to self assess and determine how well they have met the learning intention.

At Home...

We encourage parents to support your child's learning by using the language of the 3 characteristics/ dispositions - PERSIST, USE FEEDBACK and CONNECT. Asking questions such as “What did you learn to-day?”, and “How will you know if you’ve been successful?” will help to cement these practices.

Sarah Martin | Visible Learning Leader
