## 2023 school travel applications are now open

Applications for student travel in 2023 opened from **Monday 10 October 2022**.

Students who need a School Opal card or travel pass for 2023 can apply now. A new application will need to be submitted if they are applying for the first time, or if they are requesting an additional travel entitlement as a result of a new shared parental responsibility situation (e.g. joint custody).

Students who change address, school, campus location, have repeated a year or received an expiry notification from Transport for NSW for their school travel entitlement should renew or update their details before **the end of term 4**. This will ensure that schools can endorse applications, and entitlements remain valid for the start of the 2023 school year. School Opal card holders will have the changes applied to their existing card.

If a student's distance eligibility has changed based on their grade (i.e. grade two to grade three), the system will automatically update their entitlement if they meet the new criteria. If they do not meet the new eligibility criteria, we will send an expiry notification via email. Students who have an entitlement approved under a medical condition that is due to expire will receive a notification advising them to re-apply.

## SkoolBag App

At this time of quickly changing information it is very important for all parents to have the SkoolBag App downloaded on their devices. ## Mobile Phone Policy

**Primary students** are not permitted to use digital devices during school time.

ACTIVE LIVING

## Primary Dismissal Time

Primary School finishes at 2:50pm, please pick up children promptly from Moore St. Students who do not travel by bus are required to leave school grounds at 2:50pm. If for any reason you require your child to stay behind until 3:25pm, please contact the Front Office.

If your child travels by bus to and from school they will remain on Slab (play area near basketball courts and sandpit area closest to Moore St.) for supervised play until the bus collects them at 3:25pm.

## Allergies

Please be aware that we have students at HCS who have severe allergies to food products, mainly nuts and seafood, that may result in serious consequences including hospitalisation. Please consider this when packing your child's lunch—we aim to minimise health risks to all students.

Classroom teachers encourage students to ensure thorough washing of hands and face, and to distance themselves from students with allergies if they bring nut products to school.

## ABSENCES & ATTENDANCE

In New South Wales, 'compulsory school-age' means that all children from six years of age are legally required to be enrolled at and attending school until they complete Year 10, and until they turn 17 years of age.

Parents or carers are responsible for making sure that their children comply with these legal requirements. Schools support parents by monitoring student attendance and helping to address attendance issues when they emerge.

Regular attendance at school is essential to assist students to maximise their potential. Should your child be absent from school, please ensure a note is sent with your child to their class teacher (Primary), Year Advisor (Secondary) or front office on return to school, giving reason for absence. Alternatively, you can call the front office at the school to explain the absence or submit a notification on the Skoolbag app. If your child is away for a few days you should try to bring a Doctor's Certificate. If your child is to be absent for 4 days or more please see the office to obtain an "Application for Exemption" form prior to your departure date. If the absence is for 3 weeks or more parent/guardians must have an interview with the Principal. Parents/Guardian must complete the appropriate forms from the Department of Education and provide a letter explaining the reason for absence.

**Arriving Late or Leaving Early** – If arriving late students must present at the office. Students are not permitted to leave the school grounds during school hours without written permission or they are collected from the front office by their parents/carers. On the rare occasion that leaving early is necessary, a note signed by a parent/carer indicating reason for early departure should be handed in to the office by 9am.

**Administration Office** hours: 8.30am – 3.30pm Monday – Friday.
